

Delvin Ewing

Ewing15@iastate.edu | 786-922-9851 | Miami, FL

EDUCATION

Iowa State University, Ames, IA
Bachelor of Science, Electrical Engineering

(Expected Graduation May 2029) GPA: 3.0

American Senior High, Miami, FL

(Graduated May 2025) GPA 3.8

WORK EXPERIENCE

Huey Magoo's, Miami, FL – **Front**

(January 2024 – June 2024)

- Operated POS registers to process payments and assist 60 - 100 customers a day with menu selections.
- Trained and guided 3-5 new team members on service standards and procedures.
- Completed cleaning, stocking, and closing tasks quickly while meeting store standards.

Chipotle, Miami, FL – **Crew Member**

(January 2023 - June 2023)

- Collaborated with kitchen and front-of-house staff to keep orders moving efficiently during peak rushes of 60+ orders per hour.
- Executed multiple tasks at once while maintaining accuracy and food quality.
- Communicated with 100+ customers to take orders, answer questions, and fix issues promptly.

CLUBS

NSBE (national society of Black Engineers) - Programs Team

(2026 - Present)

- Shadowing members of the program operations team to learn event planning and logistics.
- Assisting with the setup and scheduling of 20+ events per semester.

Taekwondo

(2026 - Present)

- Continued staying active through regular Taekwondo training, building discipline, focus, and perseverance.

First Robotics – *Team member/Mentor*

(2025 - Present)

- Collaborated with 6 teammates to plan overall robot strategy, mechanisms, and build timeline.
- Designed and modeled robot components in CAD (AutoDesk), including 3D-printed parts.
- Programmed robot functions in Java using WPILib, testing and refining code before competitions.
- Assisted with electrical wiring and CAN bus connections to ensure reliable performance.
- Mentoring 5-10 new members by explaining design choices and guiding them through build and code tasks.

VOLUNTEER EXPERIENCE

Dade County Victim Services, Miami, FL – *Activities Helper/Planner*

(2024 - Present)

- Planned and assisted holiday activities and events for 10 – 20 children and families.
- Provided 30+ care packages including food, gifts, and basic supplies for mothers and children in need.
- Coordinated event setup and cleanup to keep activities organized and running smoothly.

Work Assistant, Miami FL, – Electrical/Home Renovation

(2024 summer)

- Supported installation of porch lights and motion-sensor cameras using basic electrical tools.
- Helped complete renovations such as tile work, drywall installation, plumbing adjustments, and relocating electrical outlets for 5+ homes.

Work Assistant, Miami FL, – Pool Technician

(2023 Summer)

- Assisted with 3+ pump replacements a day, pipe repairs, and pool-light wiring.
- Helped diagnose leaks and electrical issues alongside a senior technician, improving repair time for customers.

SKILLS

- CAD modeling (Autodesk)
- Arduino Programming/Prototyping
- MATLAB
